### **Name Inauguration of JKKM AGROVAL, Opening of Bakery Unit & Inaugural Poojai**

The JKKM Livelihood Business Incubator (LBI) celebrated a significant milestone with the official naming of the centre as *JKKM AGROVAL*, marking a new chapter in its journey towards fostering entrepreneurship and livelihood development. The event symbolized the organization's vision to expand its services, strengthen community outreach, and enhance value-added initiatives under a unified identity.

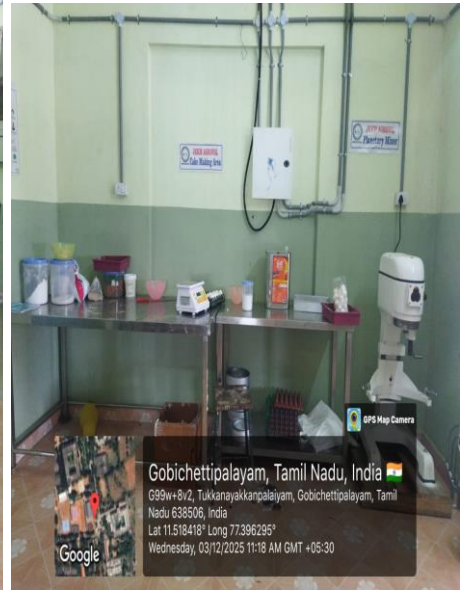

As part of this special occasion, the Bakery Unit was formally opened and made operational, adding a key facility to support skill development and enterprise incubation in bakery and confectionery. The unit is equipped with modern baking machinery and tools that will enable trainees to gain hands-on experience, develop new products, and move towards self-employment and micro-enterprise creation.

The celebrations included an Inaugural Poojai, performed to seek blessings for the successful functioning of MJKKM AGROVAL and its newly established Bakery Unit. Staff members, trainees, and well-wishers participated in the ceremony, making the event meaningful and auspicious.

This combined milestone—the name opening of JKKM AGROVAL, the launch of the Bakery Unit, and the Inaugural Poojai—represents a forward step in strengthening livelihood opportunities, enhancing infrastructure, and promoting entrepreneurial growth for the communities we serve.

## Bakery Unit

The Bakery Unit at JKKM LBI has been fully installed and made operational as part of strengthening our livelihood development and enterprise incubation initiatives. The unit is equipped with essential baking machinery and tools required for training, production, and hands-on entrepreneurial practice.

### Key Highlights

- All major equipment—including ovens, mixers, display counters, and storage units—has been successfully installed.
- The unit is now fully functional and ready to support skill training programs, product development, and entrepreneurship incubation in the bakery and confectionery sector.
- The facility enables trainees to gain practical exposure, learn production techniques, and understand real-time bakery operations.
- The operationalization of the unit will support the development of micro-enterprises, enhance income opportunities, and promote self-employment among trainees and incubates.

### Mobilization of Trainees and Incubates through TNSLRM

### Thought of the Month

“The man who moves a mountain begins by carrying away small stones.”

–Confucius

## Participation in Incubation Hustle Conducted by StartupTN

The team from JKKM AGROVAL – Livelihood Business Incubator (LBI) actively participated in the Incubation Hustle conducted by StartupTN, an initiative aimed at fostering innovation, entrepreneurship, and startup growth across Tamil Nadu. The event served as a dynamic platform for incubators, innovators, and budding entrepreneurs to exchange ideas, explore opportunities, and strengthen the startup ecosystem.

## Conclusion

As we conclude this edition, we celebrate the progress, achievements, and milestones of JKKM AGROVAL – Livelihood Business Incubator (LBI). From empowering aspiring entrepreneurs through skill training and incubation programs to expanding our infrastructure and outreach, every step reflects our commitment to fostering sustainable livelihoods and community development.

We thank all our trainees, incubatees, partners, and well-wishers for their continued support and enthusiasm. Together, we aim to create more opportunities, inspire innovation, and build a thriving ecosystem of self-reliant entrepreneurs.

Stay connected with us for more updates, success stories, and initiatives that continue to make a meaningful impact in our communities.

### BAKERY TRAINING – UPCOMING
